

Waikoikoi School - Little School Big Spirit!

Newsletter

Principal's Note:

I would like to extend a huge THANK YOU to Cecil Crawford for his time mowing the lawn for us here at Waikoikoi School. He always made sure that the lawns were immaculate. We are now looking for a new person to take over this satisfying job.

Reminders - Vests have been given to each student and they need to wear these to and from school each day. If they have lost their vest then please replace these at your own cost. School opens for students at 8:30am. Please do not arrive before this. Teachers need this time to have meetings etc. If you need to drop off earlier please get in contact. We will continue to use whatsapp and email for communication. Please let me know if you are having any trouble with this. With the grounds being muddy and wet please send a change of clothes in your child's bag so they can get changed during the day.

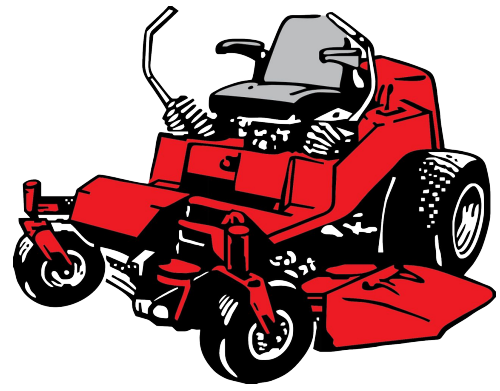

Speeches are now next Tuesday (8th of August) at 2pm. The students needed some extra time to practise and recover from illness. If you are not able to attend due to the date change then please let me know and I will video your student.

Lunches this term are delicious. The students are trying a different selection of food. I have noticed that some students are not eating some meals. Please check out the menu (over the page) and send some extra food as required. Please remember that it would be amazing if everyone was at least trying the food supplied.

You will notice that Polyfest is on the calendar for the 21st of August. We are going to watch the Pomahaka Kahui Ako group perform. We will be leaving school at 8:30 as they perform at 10am. We will then head to the park for early lunch and to see the animals etc. Please also pack togs as another option (in case of bad weather). I need parents to help transport and supervise please. Let me know if you can help.

Jacqui Dillon

Lawn Mowing Vacancy

Waikoikoi School is looking for a self-motivated, capable person to mow our school grounds.

Please contact the school for more information.

Stoat Trap Building

This term students have been learning about pest control. We will be building and setting stoat traps on our grounds and a neighbouring farm.

On **Friday the 26th of August** at **1pm** the kids will be building the wooden boxes. We are asking if any parents or community members would be available to come and help us. Some form of building 'know-how' would be helpful, but not required.

Please let us know if you would be available to and come help.

Thanks You!

"ENCOURAGE A LIFE OF PURPOSE"

Waikoikoi School are currently apart of the Fern's 'Fuel for School' sponsorship programme.

When local community members buy bulk fuel through Fern, they are can nominate a school in their area to sponsor. That means we receive 50 cents for every 100L of bulk fuel they have delivered!

Once we have reached our \$1,000 target we can redeem from a range of sports, technology, literacy, and music package.

Our current total is **\$470.28**.

We would like to take the time to mention who those members of the community are that have contributed to our school, they are listed as follows:

Phillipa & Shane Reihana
Braevista
Mike Dynes Contracting Ltd
B & V Weller

Waikoikoi School
Cheyenne Rangiwai
Leedsvale Trust
Golden Downs Trust

Thank You!

The 2023 miniball season will start on 11th September and will run for 10 weeks.

The first week is a grading week and that is where we also combine kids from schools that don't have enough kids to form a full team. We recommend having around 8 kids in the teams but no more than 9. Games will be 10 minute halves with a 1.5 minute break and 10 minutes of skills before the game.

All the games will be played at Archer Basketball Stadium, Avon Street, Gore.

Teams will be as followed:

Year 5&6 boys will play on Monday

Year 5&6 girls will play on Tuesday

Year 3 & 4 mixed will play on Thursdays

Subs are \$45 pp

Please get in contact if your student is interested in playing and I will speak with Waikaka School about joining them.
