# Newsletter

### Principal's Note:

Everyone has settled into Waikoikoi School routines well. There is a wonderful feeling in the school.

Well done to Lincoln who represented Waikoikoi School at Eastern Athletics this week. We are all very proud of him making it through and trying his best.

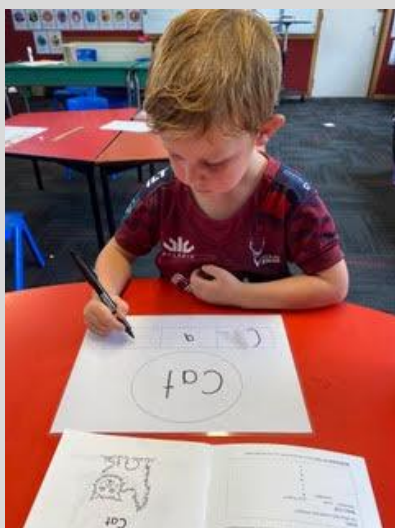

My apologies for not always having the menu in the newsletter. You can follow Koha Kia on facebook to see what we are having each week.

Look at this amazing reader. Ardie has been working hard at his sounds, reading and handwriting. We are so proud of the way he has settled into school.
