Kia Ora Koutou,

Welcome to Term 3. This term is set to be great with camp, the life education classroom with Pip and many learning opportunities on the calendar. Thank you to all the families that booked in a parent interview. These are next Wednesday (2nd August) starting at 2pm. These interviews are a great way for students to show what they have been learning and to ask questions about progress and next steps.

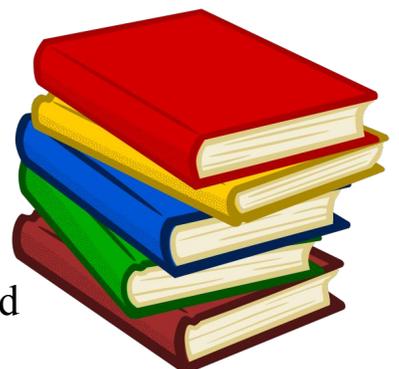

If you have a message during the school day please ring and leave a message or text the school phone. The office is not attended at all times. Please do not send an email as these may not be checked during the school day. I appreciate your help with this.

As we continue to navigate many illnesses it is important that students only come to school if they are well. To ensure that nothing is spread please use 'well for 48 hours' as a rule. When you text or send a school loop about this please also send the reason as I am required to have this knowledge for the Ministry of Education.

Thank you for getting all the bikes to school. The students are getting out on them even though the weather is not really playing the game. Please make sure they have a change of clothes if they want to ride their bikes. Hopefully we can get some road practise in next week. Camp forms are due back tomorrow please. If you need another copy please let me know.

Ma te wa, take care,
Jacqui Dillon
